

composition of the Spa Orb, using an autumnal motif to show that visitors can enjoy a stay there during the later part of the year. Anton Jung is still young. He is not a Titan but a conscientious worker, a clever writer and draughtsman with a wonderful talent for arranging form and colour. He is the proper man to fulfil all the usual requirements of advertising art from the design of a prospectus to that of a folding cardboard box.

Translated by Flora Salmond-Volkman

Prospekt und Plakate
