

WUPPERTAL Beyenburg

Ein bergisches Idyll inmitten
der Großstadt an der Wupper

CARL TESCHE

Carl Tesche is a romanticist. He makes no attempt to conceal the fact. He loves flowers, and adores little old towns with their gabled houses where as often as not a tiny church peeps over their ancient roofs. Tesche sings the praise of wine but in doing so never forgets to suggest that the cultivation of this blessing to mankind means work, and
