1940 MAI - SEPTEMBER  
PASSIONSSPIELE OBERAMMERGAU

A limited number of German and foreign artists were recently asked by the Parish of Oberammergau to compete in executing the best and most arresting poster for the coming Oberammergau Passion Plays. The winners were Rudolf Lipus, the Leipzig graphic artist, Aloys Carigiet of Zurich and Serge Glumac of Zagreb. A design by Toni Vorauer of Athens was awarded honourable mention. In the meantime it has been proposed to again make use of the wellknown, beautiful poster by Jupp Wiertz, now deceased, which was once awarded King Fuad's Prize.
