Volksabstimmung vom 10. 4. 1938
AUSTRIA'S REUNION WITH THE REICH
Plebiscite of 10. 4. 1938

Entwurf

PUCHINGER

Design

stamps depict in dignified, restrained style but with striking vividness, themes of current political, social or cultural interest for propagandistic purposes. Stamps of this description are useful; for they show the world how determined and how vigorous is the will animating New Germany in her work of reconstruction.
