underlying meaning is wholesome and vigorous. His pictures too diffuse a sunny, cheerful humour, like Swiss sunshine with its invigorating strength. Fritz Urban Welti is indeed an artist true to the soil from which he has sprung. His delightful style and his

Neujahrskarten Newyear's cards

original train of thought are eminently suited to work of an intimate character as is evidenced in his ex libris. The large sheet, which so obviously sings the "Praise of Wine", nevertheless shows he is able to
