

Zooplakat
Poster for the Zoological Gardens

however, is marked by seriousness of purpose and clarity, with the result that his posters are always convincing. It is largely due to him and his clients that Hungary secured such a prominent place in the Tourist and Travel Publicity Competition. As an "unknown" artist Konecsni

GEORG KONECSNI

won two "Grand Prizes" with his posters. Nobility and profound sensibility are revealed in his work, and give unequivocal proof of his promising talent. We are therefore justified in looking forward to further stages in Konecsni's development as an artist. Transl. by Flora Salmond-Volkman

Plakat für die Tuberkulose-Bekämpfung
