DAS UNION-BRIKETT

IN DER INDUSTRIE

DAS UNION-BRIKETT

HERSTELLUNG u. VERWENDUNG

For many years the name of Paul Leopold Hesse of Cologne has been a familiar one in all branches of advertising art. His publicity appeal for industrial concerns, however, predominates in his work which, well-considered and restrained as it is, conforms in its character to this special field of activity. On a closer inspection it will be seen that the artist avoids
