Cover for a Booklet

Herbert Lemkes of Cologne does work that looks exactly as if it had been designed by several artists. This is a compliment; for his is a versatile talent backed by real ability, as is evidenced by his vigorous and arresting compositions. Lemkes' field of activity is wide; he designs plaques, advertisements, prospectuses, packages, labels, vignettes, all differing with respect to technique but presenting no difficulty to Herbert Lemkes who solves their problems with a fine
