

BÜHNENBILDER

The Comedian Picture 11

Der Komödiant II. Bild

This artist is nationally-minded and gives his energies wholeheartedly to the presentation of scenes dealing with the destiny of his people. Thus for instance, in the play "King Stephan's People" he presents with incomparable originality those ancient timbered castles of Hungarians who lived in the Danube basin more than a thousand years ago. Varga lends the same characteristic, historical colouring to
