

Age. Not only has Ahrens successfully portrayed the people and dress of this animated epoch, he has depicted with consummate skill and astounding veracity their customs and gestures also, to say nothing of his graphic reproduction of their lettering. Summing up, this change in Haus Asbach publicity may be termed a distinct success. The new contents are well thought out, the formal composition is excellent and may well be said to satisfy the most exacting demands.

ASBACH URALT ist mit Liebe,
Sorgfalt und Geduld gebrannter Wein.
Sie spüren das an seinem vollen runden
Weinduft Sie schmecken das an seinem
milden weinigen Geschmack.
Im Asbach Uralt ist der Geist des Weines!
