Plakat für eine landwirtschaftliche Ausstellung
Poster for an Agricultural Exhibition

Once before we reproduced in these pages a series of designs by the Danish draughtsman and advertising artist, Henry Thelander who is not only well known in his own country but has acquired a reputation in other lands also. Thelander's work includes travel publicity for the German Reich Railways, whilst shortly before the outbreak of the war he took part in the poster competition for the Oberammergau Passion Plays. Moreover, the artist has a loyal and regular clientele in other countries, particularly in Sweden. Thelander is an artist who is highly appreciated in Denmark by all those who understand his ideas of art and the style he has
