

*Der schöne Vogel, der ein Engel gewesen ist*

*The beautiful bird who had been an angel*

wildest juggling tricks. Finally his gift of conjuring up fantastic scenes makes his presentation of enchanted spots and gnome-like creatures uncannily believable. The German book-trade can accordingly place its hopes on this gifted illustrator of books. The artist, however, is more partial to the new tasks set by the Trick and Cartoon Films which with their delightful mixture of the fairy-story, comic and adventurous elements appear to him the most perfect form in which to express his extraordinarily nimble genius.
