

TÁN TAMÁSSI

Fremdenverkehrsplakat

Tourist Traffic Poster

figures in the for-ground and around them creates the effect of wide spaces thereby enhancing their monumental effect. Zoltán Tamási was recently the winner in a prize competition inaugurated by the directorate of the Budapest Zoological Gardens. His poster which is reproduced here is most successful. It will be worth while watching the young artist's future progress for there is every chance of his taking a leading place among Hungarian poster artists with really excellent work. Trl. by Fl. S.-Volkmann
