

Porträt
Portrait

Pál Szűcs comes of provincial peasant stock. He attended the Academy of Fine Arts in Budapest and completed his art studies by travelling in other lands. Pál Szűcs is a temperamental and versatile artist, a spontaneous genius who despite his youth can already look back on successful stages in his career. He started as an advertising artist with poster designs, prospectuses and other publicity work but later on began to specialize in exhibition work that soon captured his time and
