its understanding of tradition, quality, its love for beautiful things provided his inclinations, his gifts with a wide field of work. Italy's creators of fashion are assembled in this city; here too are the great industries engaged in the making of fabrics; here are published the well-known periodicals "Aria D'Italia" and "Bellezza" for which the artist works. Illustrations of fashions, designs for fabrics and embroideries, for packages and objects of applied art form Berzeviczy's
