

Illustrationen aus dem Buch „Italienische Städte“
 Illustrations from the book "Italian Towns"

PIERRE GAUCHAT

Schutzumschlag Book jacket

publisher to devote more attention to this somewhat neglected branch of graphic art. Pierre Gauchat can here use to good advantage his wide knowledge of literature and power to attune himself to the task in hand. His work has nothing of studied originality about it; rather does it aim at linking up illustrations and text and always catches the atmosphere of the book.

Translated by Flora Salmond-Volkmann
