

Der älteste deutsche Zeitungsdruck
Handeinband, Pergament mit
Plastik und Handvergoldung

The oldest German newspaper
print. Hand-bound, parchment with
plastic work and hand-gilding

mention more especially his pictorial chronicles, cases for documents, sports awards and prizes or city chronicles. Thus of recent years he has been in great request for the designing and execution of gifts and marks of distinction presented by the State. This kind of work has afforded him opportunities of developing his ability to the full. Trsl. by Fl. Salmond-Volkman
