DN. ADAMI CHRISTOPHORI  
JACOBI, JC<sup>ti</sup>.  
GRÆBERNÆ & ALIARUM POSSESSIONUM  
DOMINI,

IN AULA ELECT. SAXON. CONSIL. EMINENTIS.  
CIV. DRESDENSIS SYND. MERITIS.

*LIPSIAE XIV. Nov. M. DC. LXXXIX. BEATE DEFUNCTI*

*Effigiem.*

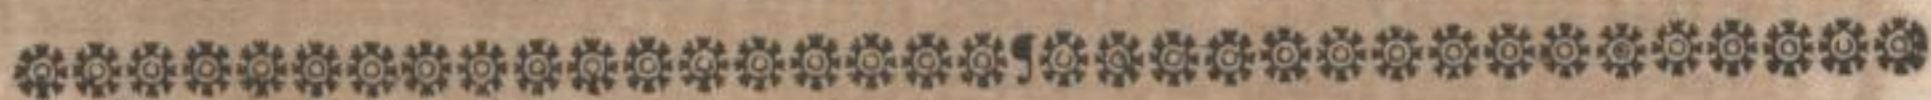

**J**acobi faciem quoties effingere tentat,  
Pictor, sumit opus celsius arte sua.  
Pertentant plures; sed frustra: vera latebit,  
Jacobi facies, credite posteritas.  
Quærenti causam Genesis respondet: egomet  
Servavi Tantum fingere sola Virum.  
Adstat Fama, fideque datâ, sine schemate picto,  
Spondet, servandum docta per ora Virum.

*In Obitum.*

**U**ltima Jacobi Dresdæ cum fata patefcunt,  
Exoritur passim publica mœstitia.  
Aula decus: columen Provincia: fidus amicum  
Curia deplorat, Palladiumque suum.  
Unus erat, si par futurus, credo, videbit,  
(Tanta Viri Virtus) nulla propinqua dies.

**V***ir multis magnisq; laboribus exantlatis  
Jacobi exspirat Doctor, & in requie est.*
