VOTIESCVNQVE de  
re Chymica attētiūs co-  
gito, cogito autem fre-  
quēter, memor sum pre-  
cepti veteris, τὰ μὲν κενὰ  
καινῶς, τὰ δὲ καινὰ κενῶς.

Cū enim ea, quæ suis limitibus circū-  
dat Chymia, plus in fronte nouitatis,  
quàm in recessu varietatis obtineant, il-  
lius quidem sectatores animaduerto,  
quæ cōmunia sunt, & ab omni antiqui-  
tate viguere, ceu forent noua, peculiari  
quodam agēdi genio & ingenio, τὰ κεν-  
νὰ καινῶς, diligentius nimirum obire. At  
qui his ex aduerso resistunt, commu-  
niori viæ innutritos, omnem nouitatis  
speciem, quantumuis solam speciem,
