Uid juvat ulterius factis extendere famam ?

Quid juvat attritis invigilare libris ?

Notus es in terris HERLICI, notus in astris ?

Notus in Eois, Hesperisque plagis.

Trans mare, trans terras, trans astra volabis Olympi,

Stabit & hic Famæ parta columna tuæ,

Vivathic HERLICIUS, tuus ô Stargardia Phoebus ?

HERLICI pereant, livida turba, canes.

Vivathic HERLICIUS, Pomeranæ gloria terræ !

Dum vagus in Viadrum Planus & Ina fluunt,
